DICK SMITH

WIZZARD

**FULL COLOUR
AND SOUND!**

Years Ahead

The Dick Smith WIZZARD Home Computer uses the very latest technology available. Most of the comparable machines around were designed two, three or even more years ago. And at the speed electronics is advancing today, that's a long, long time.

Compare the Quality

The Dick Smith WIZZARD has really outstanding picture quality! Its resolution (49,128 pixels) is far greater than the most popular machines on the market. The result: a fantastically better picture!

7 DAY TRIAL OFFER

If you're not completely happy, you can return the WIZZARD within 7 days in original condition & packing for a full refund! You owe nothing-not even an explanation! (SPECIALLY EXTENDED TO 14 DAYS FOR MAIL ORDERS)

DS/ENZD14M/JCP

Comes with a Special

'PLUG IN' Computer Cartridge

The secret of the Dick Smith WIZZARD is its BASIC plug-in computer cartridge which provides all of the powerful programming facilities of a personal computer. This gives the WIZZARD tremendous flexibility for further expansion.

Full Typewriter - Style Keyboard

Yes - a deluxe 'QWERTY' keyboard with high tactile response keys. The whole keyboard is easily removed for service (if ever required!) and there's provision for joysticks to be plugged in.

Compare the Price

The only comparable computer system available anywhere in the world costs over \$200 more than the Dick Smith WIZZARD. It's ready to use - including the deluxe keyboard and cartridge. No expensive extras to buy - just to get going!
