HOW TO LOAD YOUR PROGRAM INTO YOUR WIZZARD

1. Connect your Wizzard cassette recorder using the cable supplied.
2. Turn the power on to the Wizzard.
3. Place this program cassette into the recorder and rewind it, if necessary, to make sure it is rewound back to the start.
4. Press play on the recorder.
5. Type the command CRUN into the Wizzard and press the RETURN key.
6. The program will load and run automatically.

If the message ERROR appears, rewind and try again from step (3) above.
